## How to use public transport (Google Maps)

1. Check in and Check out (do not forget to check out!) with any contactless card/NFC phone at every gate or vehicle (OVpay).
2. For NS trains, follow yellow train signs. For Rotterdam metro/tram/bus, follow RET signs.
3. At Rotterdam Centraal, take Metro D or E to Beurs, then use the Beursplein exit.
4. Important: If you travel with the **Intercity Direct** train between Schiphol and Rotterdam, add the supplement before boarding by tapping the same contactless card/ NFC phone in the red columns at the train track.

## From Schiphol Airport (AMS)

Typical route: train + metro

1. Schiphol Airport rail station -> NS Intercity Direct to Rotterdam Centraal (about 26 minutes; supplement needed).
2. Rotterdam Centraal -> Metro D/E southbound to Beurs (2 stops) -> exit Beursplein -> 1 minute walk to WTC.
3. Alternative: choose a regular Intercity in NS/9292 if you prefer to avoid the Intercity Direct supplement.
