8.15 pm	Opening lecture - Prof Mart Saarma, University of Helsinki, New avenues in the treatment of neurodegenerative diseases

Sunday, September 4, 2011

08.30 - 10.30 am	Scientific Session I : Cell biology of lysosomes
10.30 - 12.30 pm	Scientific Session II : Cell biology of lysosomes, continued
12.30 - 2.00 pm	Lunch
2.00 - 4.30 pm	Scientific Session III: Neuronal Ceroid Lipofuscinoses
4.30 - 5.00 pm	Coffee break
5.00 - 6.00 pm	Scientific Session IV: Pathophysiology of lysosomal storage diseases
6.00 - 6.45 pm	Attended Poster Session
7.15 pm	Dinner
9.00 pm	Special lecture

Monday, September 5, 2011

8.30 - 10.30 am	Scientific Session V: Pathophysiology of lysosomal storage diseases, continued
10.30 - 11.00 am	Coffee break
11.00 - 12.30 am	Scientific Session VI: Therapy of lysosomal storage diseases
12.30 - 2.00 pm	Lunch
2.00 - 6.00 pm	Social programme
6.00 - 7.00 pm	Attended Poster Session
8.00 pm	Gala Dinner

Tuesday, September 6, 2011

09.00 - 10.30 am	Scientific Session VII : Therapy of lysosomal storage diseases
10.30 - 11.00 am	Coffee break
11.00 - 12.30 pm	Scientific Session VIII: Clinical aspects of lysosomal storage diseases
12.30 - 1.00 pm	Young Scientist's award
1.00 - 2.00 pm	Lunch and departure
